A GLOBAL MULTI MEDIA COMEDY & CLOWN MAGIC SHOW

Welcome and let me introduce you to the acclaimed worldwide, known, unknown and renowned artists Lionel and Liam Fool, "The Fools Brothers"! The brothers Lionel and Liam are on a mission. These two Viennese brothers embarked years ago on an adventure. Their crusade resulted in a phenomenal success and launched them onto the global glittering show world stage!

They created, "A Magical Mystery Detour" designed, developed, produced and performed as a showcase perfected a unique collection of characters using mime, magic, song, dance and music to showcase in their unusually eccentric weird and curious new comedy and clown-performance spectacle "On A Magical Mystery Detour".

The Fools Brothers merged their acting talent, circus skills and years of expertise as professional magicians with the mental, delirious, silly, idiotic, wacky and crazed emotions or behaviour we employ. This theatrical mixture by the brothers became a recipe for their humour with a professional mix of refreshing stupidity that never fails to amuse and astound the magic art of the extra class. **Enjoy magical insanity on a really high level ... you could say: Comedy Magic as you have never experienced before!**

This gifted, clever, and artful show is a brilliant stage spectacle, featuring the world-wide known, unknown and renowned Fools Brothers! To guarantee variety, a parade of international guest stars invited by Lionel & Liam will be presented and perform in the show!

For example, a few of the show guests include the "Wondrous Fakir Ali Bamba", "Mindreading Mentalist Dr. Dam Mad", "T V Game Showmaster Kyrill Karassovic", the "Doctor Charles Camel", "Singer Que Sarah" or the "Mysterious Swandini"!

That's right why settle for less. The Fools Brothers are better than the rest! Featuring Lionel & Liam and an ensemble of 7-star guests.

**** (Because of cost reasons, all those artists must be portrayed by the two brothers themselves!)**

MYSTERY DE TOUR BAND

The "Mystery De" Tour-Band reunited by Gerfried Krainer the musical director and a trio of 3 excellent musicians to form, the quartet who in past have played at the time-honoured "Kabarett Simpl" and "Circus Roncalli". To now accompany Lionel & Liam as their band for The Fools Brothers current and up and coming tours!

NOUVEAU CLOWNS & JANGO EDWARDS

The "Fools Brothers" are members of the global "Nouveau Clowns" tribe family! This new clown movement originated in the early 70s and inaugurated by the "Anarcho-Clown" Jango Edwards!

Renouncing the classical circus, he revolted and rejected the sacred red nose and abandoned the cliché, stereotyped prejudiced clown images of the artists of past generations. Jango was a rebel and co-initiator of a worldwide revolutionary movement in the name of clown.

Today, Jango Edwards is the director of this Fools Brothers Show!

BROTHERS

Lionel & Liam Fool are performed by the brothers Michael and Andreas Swatosch: They bring together 70 years of stage experience!!! Michael and Andreas are trained magicians. They are the co-founder of the "1. Wiener Zauberbertheater" (= "First Vienna Magic Theatre"). Additionally to their artistic acts they are managing the "Circus & Clown Museum Vienna".

Since 2004, Michael and Andreas have worked intensively on various projects, productions and special corporate events with the clown legend Jango Edwards achieving their own legendary fame. ... The result of this collaboration, cooperation plus complicity is revealed and exhibited in the new performance of "The Fools Brothers Show" presented by the balmy, buffoon brothers!

They were honoured by the "Academy of Magical Arts - Magic Castle - Hollywood" for their contributions to the professional Art of Magic. Since 2010 Michael and Andreas have been master class instructors and permanent faculty members of the annual "Nouveau Clown Institute" series.

After successful guest performances in the legendary "Kabarett Simpl" and with their own band in the "Kabarett Vindobona" ... the Fools Brothers are now ready FOR YOU ;-)
